

Trucking & Logistics

LOGISTICS SERVICES

TP Trucking & Logistics is a privately owned, progressive company specializing in handling flatbed freight. Our logistics team will match your freight needs to one of our carriers to get your products delivered safely and on time.

Whether we are moving customer's goods, fixing rigs or giving a fleet a fresh coat of paint, TP Trucking & Logistics work hard to get the job done right.

As an independently owned, fully integrated company with dedicated manufacturing facilities in both the western and eastern United States, we provide immediate access to a vast selection of products and services. We have implemented new technologies to make our operations more efficient and our products more cost-effective. We can respond to your needs faster with greater flexibility and with an absolute assurance of quality.
