

Trucking & Logistics

# TRUCKING SOLUTIONS

For over 50 years, TP Trucking & Logistics has served our customers by providing custom shipping solutions, backed by our expert in-house logistics team and experienced, professional drivers.

From wood products, to steel, to industrial equipment, we are perfectly positioned to provide best-in-class, cost-effective transportation solutions for loads of all sizes!

## THE BEST EQUIPMENT

TP Trucking & Logistics has what it takes to move goods anywhere in North America.

## THE BEST TEAM

We have a proud history of hiring and retaining experienced, professional drivers, dispatchers and support staff.

## THE BEST MANAGEMENT

Our in-house logistics department ensures efficient dispatching, handling and routing of part or full loads.

## A COMMITMENT TO SAFETY

With one of the best safety performances on record, TP Trucking & Logistics has won dozens of awards throughout our 50-year history.
